After your purchase, you will receive a confirmation email containing information on the draws you have entered and the ticket numbers for each draw.

Step 5: Wait for the Draw.

Sit back, relax, and wait for the draw to take place. Raffles will only be drawn when they are full. Once a draw is full, we will start the draw process. The method used to determine the winning number will vary depending on the volume of numbers in the draw and the fairest method. All of our draws will take place on Facebook, live. Our draws are based on luck and chance, as they should be.
